To the Shareholders of DoubleLine Opportunistic Credit Fund (“DBL”), DoubleLine Income Solutions Fund (“DSL”), and DoubleLine Yield Opportunities Fund (“DLY”) (each, a “Fund” and, collectively, the “Funds”):

Notice is hereby given that a Joint Annual Meeting of Shareholders of the Funds (the “Meeting”) is scheduled to be held as a virtual meeting on February 17, 2021, at 12:00 p.m. Pacific Time. In light of public health concerns regarding the ongoing coronavirus (COVID-19) pandemic, and taking into account related orders and guidance issued by federal, state and local governmental bodies, the Board of Trustees of each Fund has determined that the Funds' Meeting will be held in a virtual meeting format only, via the internet, with no physical in-person meeting. The Meeting will be held for the following purposes, which are more fully described in the accompanying Proxy Statement:

1. To elect two Trustees of each Fund to hold office for the terms indicated and until their successors shall have been elected and qualified; and
2. To transact such other business as may properly come before the Meeting or any adjournment(s) or postponement(s) thereof.

The Board of Trustees of each Fund has fixed the close of business on December 18, 2020 as the record date (the “Record Date”) for the determination of shareholders entitled to notice of, and to vote at, the Meeting or any adjournment or postponement thereof. Shareholders of record on the Record Date may participate in and vote at the Meeting by virtual means. To participate in the Meeting, shareholders must register in advance by visiting <https://www.viewproxy.com/DoubleLine/broadridgevsm> and submitting the requested required information to Broadridge Financial Solutions, Inc. (“Broadridge”), the Fund’s proxy tabulator.

Shareholders whose shares are registered directly with a Fund in the shareholder’s name will be asked to submit their name and control number found on the shareholder’s proxy card in order to register to participate in and vote at the Meeting. Shareholders whose shares are held by a broker, bank or other nominee must first obtain a “legal proxy” from the applicable nominee/record holder, who will then provide the shareholder with a newly-issued control number. We note that obtaining a legal proxy may take several days. Requests for registration should be received no later than 12:00 p.m., Pacific Time, on February 16, 2021. Once shareholders have obtained a new control number, they must visit <https://www.viewproxy.com/DoubleLine/broadridgevsm> and submit their name and newly issued control number in order to register to participate in and vote at the Meeting.

After shareholders have submitted their registration information, they will receive an email from Broadridge that confirms that their registration request has been received and is under review by Broadridge. Once shareholders’ registration requests have been accepted, they will receive (i) an email containing an event link and dial-in information to attend the Meeting, and (ii) an email with a password to enter at the event link in order to access the Meeting. Shareholders may vote before or during the Meeting at www.proxyvote.com. Only shareholders

of the Funds present virtually or by proxy will be able to vote, or otherwise exercise the powers of a shareholder, at the Meeting.

The Meeting webcast will begin promptly at 12:00 p.m. Pacific time. We encourage you to access the Meeting prior to the start time. For additional information on how you can attend and participate in the virtual Meeting, please see the instructions in the Joint Proxy Statement that follows.

The enclosed proxy is being solicited on behalf of the Board of Trustees of each Fund.

PROXY STATEMENT

January 13, 2021

FOR THE JOINT ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON FEBRUARY 17, 2021

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Boards of Trustees (the "Board") of DoubleLine Opportunistic Credit Fund ("DBL"), DoubleLine Income Solutions Fund ("DSL"), and DoubleLine Yield Opportunities Fund ("DLY") (each, a "Fund" and, collectively, the "Funds") of proxies to be voted by the respective shareholders at the Joint Annual Meeting of Shareholders of the Funds, including any adjournment(s) or postponement(s) thereof (the "Meeting"). The Meeting is scheduled to be held as a virtual meeting on February 17, 2021, at 12:00 p.m. Pacific Time. Each Board functions independently and has chosen to hold a joint meeting for efficiency.

The Notice of a Joint Annual Meeting of Shareholders (the "Notice"), this Proxy Statement and the enclosed proxy cards are first being sent to Shareholders on or about January 13, 2021.

The Meeting will be a virtual meeting conducted exclusively via live webcast starting at 12:00 p.m. Pacific Time. You will be able to attend the Meeting online, submit your questions during the Meeting and vote your shares. To participate in the Meeting, shareholders must register in advance by visiting <https://www.viewproxy.com/DoubleLine/broadridgevsm> and submitting the required information to Broadridge Financial Solutions, Inc. ("Broadridge"), the Fund's proxy tabulator.

Shareholders whose shares are registered directly with a Fund in the shareholder's name will be asked to submit their name and control number found on the shareholder's proxy card in order to register to participate in and vote at the Meeting. Shareholders whose shares are held by a broker, bank or other nominee must first obtain a "legal proxy" from the applicable nominee/record holder, who will then provide the shareholder with a newly-issued control number. We note that obtaining a legal proxy may take several days. Requests for registration should be received no later than 12:00 p.m., Pacific Time, on February 16, 2021. Once shareholders have obtained a new control number, they must visit <https://www.viewproxy.com/DoubleLine/broadridgevsm> and submit their name and newly-issued control number in order to register to participate in and vote at the Meeting.

After shareholders have submitted their registration information, they will receive an email from Broadridge that confirms that their registration request has been received and is under review by Broadridge. Once a shareholder's registration request has been accepted, the shareholder will receive (i) an email containing an event

link and dial-in information to attend the Meeting, and (ii) an email with a password to enter at the event link in order to access the Meeting. Shareholders may vote before or during the Meeting at www.proxyvote.com. Only shareholders of the Funds present virtually or by proxy will be able to vote, or otherwise exercise the powers of a shareholder, at the Meeting.

In light of the rapidly changing developments related to COVID-19, we are pleased to offer our shareholders a completely virtual Meeting, which provides worldwide access and communication, while protecting the health and safety of our shareholders and the Adviser's personnel. We are committed to ensuring that shareholders will be afforded the same rights and opportunities to participate as they would at an in-person meeting. We will try to answer as many shareholder-submitted questions as time permits that comply with the Meeting rules of conduct. However, we reserve the right to edit profanity or other inappropriate language, or to exclude questions that are not pertinent to meeting matters or that are otherwise inappropriate. If substantially similar questions are received, we will group such questions together and provide a single response to avoid repetition.

Shareholders Entitled to Vote

Holders of common shares ("Common Shares") of each Fund (the "Shareholders") will vote on whether to re-elect such Fund's nominees for Trustee of the Fund (with respect to DBL, the "DBL Proposal", with respect to DSL, the "DSL Proposal", and with respect to DLY, the "DLY Proposal," and, collectively, the "Proposals") and on any other matters that may properly come before the Meeting. The class of Common Shares is the only class of shares of each Fund currently outstanding. The outcome of voting by the Shareholders of one Fund does not affect the outcome for the other Funds.

The Board of Trustees (the "Board") of each Fund has fixed the close of business on December 18, 2020 as the record date (the "Record Date") for the determination of Shareholders of the Fund entitled to notice of, and to vote at, the Meeting. The Shareholders of each Fund on the Record Date will be entitled to one vote per Common Share on each matter to which they are entitled to vote and that is to be voted on by Shareholders of the Fund, and a fractional vote with respect to fractional shares, with no cumulative voting rights in the election of Trustees. The following table sets forth the number of Common Shares issued and outstanding of each Fund at the close of business on the Record Date:

	<u>Outstanding</u> <u>Common Shares</u>
DBL	14,956,896
DSL	101,996,828
DLY	47,945,779

You may vote by mail by returning a properly executed proxy card, by Internet by going to the website listed on the proxy card, or by telephone using the toll-free number listed on the proxy card. You may also virtually attend the Meeting and vote your interests. However, even if you intend to do so, we encourage you to provide voting instructions by one of the methods described above. Shares represented by duly executed and timely delivered proxies will be voted as instructed on the proxy. If you execute and mail the enclosed proxy and no choice is indicated for the election of the nominees listed in this Proxy Statement, your proxy will be voted in favor of the election of the nominees. At any time before it has been voted, your proxy may be revoked in one of the following ways: (i) by delivering a signed, written letter of revocation prior to the Meeting to the Secretary of the relevant Fund at 333 South Grand Avenue, Suite 1800, Los Angeles, California 90071, (ii) by properly executing and timely submitting a later-dated proxy vote, or (iii) by virtually attending and voting at the Meeting pursuant to the instructions above. If any proposal, other than the Proposals set forth herein, properly comes before the Meeting, the persons named as proxies may vote for or against such proposals in their sole discretion.

The principal executive office of the Funds is located at 333 South Grand Avenue, Suite 1800, Los Angeles, California 90071. DoubleLine Capital LP ("DoubleLine") serves as the investment manager of each Fund.

Additional information regarding DoubleLine may be found under “Additional Information—Investment Manager” below.

The solicitation will be primarily by mail, and the cost of soliciting proxies for each Fund will be borne by such Fund. Certain officers of the Funds and certain officers and employees of DoubleLine or its affiliates (none of whom will receive additional compensation therefor) may solicit proxies by telephone, mail, e-mail and personal interviews. In addition, Broadridge has been engaged to assist in the solicitation of proxies for a fee of approximately \$131,000, although the actual costs of the solicitation may be higher. Each Fund will also reimburse brokerage firms and others for their expenses in forwarding solicitation materials to the beneficial owners of the Fund’s Common Shares. Shared costs borne by the Funds are generally allocated between the Funds based on the number of shareholder accounts in respect of each Fund. Any out-of-pocket expenses incurred in connection with the solicitation will be borne by the Fund incurring such expenses. Costs borne directly by a Fund are borne indirectly by the Fund’s Shareholders.

Unless a Fund receives contrary instructions, only one copy of this Proxy Statement will be mailed to a given address where two or more Shareholders share that address. Additional copies of the Proxy Statement will be delivered promptly upon request. Requests may be sent to the Secretary of the Funds at 333 South Grand Avenue, Suite 1800, Los Angeles, California 90071, or may be made by calling (877) DLine11 (877-354-6311) on any business day.

PROPOSALS: RE-ELECTION OF TRUSTEES

In accordance with each Fund’s Amended and Restated Agreement and Declaration of Trust (the “Declaration”), the Trustees have been divided into the following three classes (each, a “Class”): Class I, Class II and Class III. Under this classified Board structure, generally only those Trustees in a single Class may be replaced in any one year. It would require two to three years to change a majority of a Fund’s Board, depending on the composition of the Classes up for election in the first two years. This structure, which may be regarded as an “anti-takeover” provision, may make it more difficult for a Fund’s Shareholders to change the majority of Trustees of the Fund and, thus, promotes the continuity of management.

DBL. With respect to DBL, the term of office of each of the Class III Trustees will expire at the Meeting after his successor is elected and qualified. Raymond B. Woolson and Ronald R. Redell are currently the Class III Trustees of the Fund. The Fund’s Nominating Committee recommended to the Board that Messrs. Woolson and Redell be nominated for re-election by the Shareholders as Class III Trustees and the Board approved such nomination. If re-elected at the Meeting, Messrs. Woolson and Redell will serve a term expected to expire no earlier than the Fund’s annual meeting held in 2024. If either Mr. Woolson or Mr. Redell is not re-elected at the Meeting, he will continue to serve as a Trustee until his successor is elected and qualified, or until he dies, resigns or is removed from office.

DSL. With respect to DSL, the term of office of each of the Class II Trustees will expire at the Meeting after his successor is elected and qualified. Raymond B. Woolson and Ronald R. Redell are currently the Class II Trustees of the Fund. The Fund’s Nominating Committee recommended to the Board that Messrs. Woolson and Redell be nominated for re-election by the Shareholders as Class II Trustees and the Board approved such nomination. If re-elected at the Meeting, Messrs. Woolson and Redell will serve a term expected to expire no earlier than the Fund’s annual meeting held in 2024. If either Mr. Woolson or Mr. Redell is not re-elected at the Meeting, he will continue to serve as a Trustee until his successor is elected and qualified, or until he dies, resigns or is removed from office.

DLY. With respect to DLY, the term of office of each of the Class I Trustees will expire at the Meeting after his successor is elected and qualified. Raymond B. Woolson and Ronald R. Redell are currently the Class I Trustees of the Fund. The Fund’s Nominating Committee recommended to the Board that Messrs. Woolson and Redell be nominated for re-election by the Shareholders as Class I Trustees and the Board approved such nomination. If re-elected at the Meeting, Messrs. Woolson and Redell will serve a term expected to expire no earlier than the Fund’s annual meeting held in 2024. If either Mr. Woolson or Mr. Redell is not re-elected at the Meeting,

he will continue to serve as a Trustee until his successor is elected and qualified, or until he dies, resigns or is removed from office.

All members of the Board are and will remain (in the case of Messrs. Woolson and Redell, if re-elected) “Continuing Trustees,” as such term is defined in the Declaration. Mr. Redell has served as Trustee since the commencement of each Fund’s operations. Mr. Woolson has served as Trustee of DBL and DSL since the commencement of each Fund’s operations, and as a Trustee of DLY since April 2020.

Unless authority is withheld, it is the intention of the persons named in the enclosed proxy to vote each proxy for the re-election of Mr. Woolson and Mr. Redell. Mr. Woolson and Mr. Redell has each indicated he will serve if elected, but if he should be unwilling or unable to serve, the proxy holders may vote each proxy in favor of electing such substitute nominee as the Board may designate.

Board Leadership Structure

The Board of each Fund consists of four Trustees, three of whom are not considered to be “interested persons” (as defined in the Investment Company Act of 1940, as amended (the “1940 Act”)) of the Funds (the “Independent Trustees”). The Board is responsible for overseeing the management and operations of each Fund, including general supervision of the duties performed by DoubleLine and other service providers to the Fund. DoubleLine and each Fund’s administrator are responsible for the day-to-day management and administration of the Fund.

The Chairman of each Fund’s Board, Mr. Ronald R. Redell, also serves as President of the Funds and DoubleLine Funds Trust and as an executive of DoubleLine Group LP and, as such, he participates in the oversight of the Funds’ day-to-day business affairs. Mr. Redell is an “interested person” of the Funds.

Mr. Raymond B. Woolson serves as the lead Independent Trustee. A portion of each regular meeting of the Board is devoted to an executive session of the Independent Trustees at which no members of management or the Funds’ administrator are present. At those meetings, the Independent Trustees consider a variety of matters that are required by law to be considered by the Independent Trustees, as well as matters that are scheduled to come before the full Board of Trustees, including fund governance, fund management, and leadership issues, and are advised by independent legal counsel. Mr. Woolson serves as Chair for those meetings.

The Board believes that each Trustee’s and nominee’s experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Trustees lead to the conclusion that the Board possesses the requisite skills and attributes to carry out its oversight responsibilities with respect to the Funds. The Board believes that the Trustees’ and nominees’ ability to review, critically evaluate, question, and discuss information provided to them, to interact effectively with DoubleLine, other service providers, counsel and independent auditors, and to exercise effective business judgment in the performance of its duties, support this conclusion. The Board also has considered the following experience, qualifications, attributes and/or skills, among others, of its members, as applicable, in reaching its conclusion: (i) such person’s business and professional experience and accomplishments, including prior experience in the financial services and investment management fields or on other boards; (ii) such person’s ability to work effectively with the other members of the Board; (iii) how the individual’s skills, experiences, and attributes would contribute to an appropriate mix of relevant skills and experience on the Board; (iv) such person’s character and integrity; (v) such person’s willingness to serve and willingness and ability to commit the time necessary to perform the duties of a Trustee; and (vi) as to each Trustee or nominee other than Mr. Redell, his status as an Independent Trustee. In addition, the following specific experience, qualifications, attributes and/or skills were considered in respect of the listed Trustee or nominee: Mr. Ciprari: significant experience serving in the investment banking industry, as a senior executive at an investment bank; Mr. Salter: significant experience and familiarity with securities markets and financial matters generally; Mr. Woolson: significant financial consulting, fund accounting, and fund administration experience; and Mr. Redell: significant experience and service in the investment management industry and as a senior executive at an investment advisory firm. With respect to their nomination for re-election, Mr. Woolson’s and Mr. Redell’s prior service as Trustees of the Funds was also considered. References to the experience, qualifications, attributes, and skills of Trustees or the nominees are

pursuant to requirements of the Securities and Exchange Commission (“SEC”), do not constitute holding out of the Board or any Trustee or nominee as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

The Board has determined that its leadership structure is appropriate given the business and nature of each Fund, including (i) Mr. Redell’s role as President of DoubleLine Group LP and as an executive of DoubleLine Capital LP; (ii) the extent to which the Independent Trustees meet as needed, together with their independent legal counsel, in the absence of members of management and members of the Board who are “interested persons” of each Fund; and (iii) the leadership role of the lead Independent Trustee. The Board expects to review its structure on an annual basis.

In its oversight role, the Board and/or its Committees receive and review reports from each Fund’s officers, including, but not limited to, the President, Chief Compliance Officer and Treasurer, DoubleLine portfolio management personnel and other senior personnel of DoubleLine, the Funds’ independent registered public accounting firm, and the Funds’ third-party service providers with respect to a variety of matters, including matters that relate to the operations of the Funds, including related risks.

The function of the Board with respect to risk management is one of periodic oversight and not active involvement in, or coordination of, day-to-day risk management activities for the Funds. DoubleLine’s personnel seek to identify and address risks, *i.e.*, events or circumstances that could have material adverse effects on the business, operations, shareholder services, investment performance or reputation of the Funds. Under the general oversight of the Board or the applicable Committee of the Board, the Funds, DoubleLine, and other service providers to the Funds employ a variety of processes, procedures, and controls to identify such possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. The Board recognizes, however, that not all risks that may affect the Funds can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve each Fund’s goals, and that the processes, procedures, and controls employed to address certain risks may be limited in their effectiveness. Moreover, reports received by the Trustees that may relate to risk management matters are typically summaries of the relevant information. There is no assurance that the Board of Trustees’ operations or leadership structure will identify, prevent, or mitigate risks in actual practice.

Board Committees and Meetings

Audit Committee

The Board of each Fund has established an Audit Committee (the “Audit Committee”) in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Mr. Woolson serves as the Chairman of the Audit Committee. The Audit Committee’s other members are Messrs. Ciprari and Salter. The Audit Committee makes recommendations to the Board concerning the selection of the independent auditors and reviews with the auditors the results of the annual audit, including the scope of auditing procedures, the adequacy of internal controls and compliance by the Funds with the accounting and financial reporting requirements of the 1940 Act.

Each member of the Audit Committee is “independent,” as independence for audit committee members is defined in the currently applicable listing standards of the New York Stock Exchange (the “NYSE”), on which the Common Shares of the Funds are listed (the “NYSE Listing Standards”).

Based on the findings of the Audit Committee, the Audit Committee has determined that Mr. Woolson is an “audit committee financial expert,” as defined in the rules promulgated by the SEC, and as required by NYSE Listing Standards.

The Board has adopted a written charter for its Audit Committee. A copy of the written charter for the Funds is attached to this Proxy Statement as [Exhibit A](#). A report of the Audit Committee of DBL, DSL, and DLY, dated November 19, 2020, is attached to this Proxy Statement as [Exhibit B](#).

Qualifications, Evaluation and Identification of Trustee/Nominees

Potential nominees may be considered in light of any factor the Nominating Committee members deem relevant, including their professional experience, education, skill, collegiality and other individual qualities and attributes that contribute to Board diversity.

Consideration of Candidates Recommended by Shareholders

The Nominating Committee will review and consider nominees recommended by Shareholders to serve as Trustees, provided that the recommending Shareholder follows the “Procedures for Shareholders to Submit Nominee Candidates,” which, as are in effect as of the date of this proxy statement, are set forth as *Appendix A* to the Funds’ Nominating Committee Charter (the “Procedures”), a copy of which is attached to this Proxy Statement as Exhibit C. Among other requirements, these procedures provide that the recommending Shareholder must submit any such recommendation (a “Shareholder Recommendation”) in writing to the relevant Fund, to the attention of the Fund’s Secretary, at the address of the principal executive offices of the Fund. The procedures described herein with respect to the nomination of candidates by shareholders and other procedural issues related to meetings of Shareholders of Funds are subject to change from time to time by the Boards of Trustees. Any recommendation must include, among other things, certain biographical and other information regarding the candidate and the recommending Shareholder, and must include a written and signed consent of the candidate to be named as a nominee and to serve as a Trustee if elected. The foregoing description of the requirements is only a summary and is qualified in its entirety by the Procedures as well as by each Fund’s Declaration and Bylaws as may be in effect from time to time. Please refer to *Appendix A* to the Nominating Committee Charter for the Funds as in effect as of the date of this proxy statement.

The Nominating Committee has full discretion to reject nominees recommended by Shareholders, and there is no assurance that any such person properly recommended and considered by the Committee will be nominated for election to the Board of the Funds. See “Additional Information—Shareholder Proposals for 2022 Annual Meeting” for information regarding submitting shareholder proposals for consideration at the Funds’ 2022 annual shareholder meeting.

Qualified Legal Compliance Committee

The Board has a Qualified Legal Compliance Committee (“QLCC”), consisting of Messrs. Ciprari, Salter, and Woolson. The QLCC receives, reviews and takes appropriate action with respect to any report made or referred to the QLCC by an attorney of evidence of a material violation of applicable U.S. federal or state securities law, material breach of a fiduciary duty under U.S. federal or state law or a similar material violation by the Funds or by any officer, director, employee, or agent of a Fund.

The Funds do not require Trustees to attend the Joint Annual Meeting of Shareholders, but the Trustees may attend the Meeting if they choose to do so.

Shareholder Communications with the Board of Trustees

Shareholders of the Funds may send communications to the Board by mailing written communications to the attention of the Board of Trustees, [Name of Fund], c/o Cris Santa Ana, Secretary, DoubleLine, 333 South Grand Avenue, Suite 1800, Los Angeles, California 90071. Shareholder communications must (i) be in writing and be signed by the Shareholder and (ii) identify the number of Common Shares held by the Shareholder. DoubleLine is responsible for collecting, reviewing and organizing all properly submitted shareholder communications. Except as discussed below, DoubleLine shall either (i) provide a copy of each properly submitted shareholder communication to the Board at its next regularly scheduled Board meeting or (ii) if DoubleLine determines that the communication requires more immediate attention, forward the communication to the Trustees promptly after receipt. DoubleLine may, in good faith, determine that a shareholder communication should not be provided to the Board because it does not reasonably relate to a Fund or its operations, management, activities, policies, service providers, Board, officers, shareholders or other matters relating to an investment in the Fund or is otherwise ministerial in nature (such as a request for Fund literature, share data or financial information). These procedures shall not apply to (i) any communication from an officer or a Trustee of a Fund, (ii) any communication from an employee or agent of a Fund, unless such communication is made solely in such employee's or agent's capacity as a shareholder, or (iii) any shareholder proposal submitted pursuant to Rule 14a-8 under the Exchange Act, or any communication made in connection with such a proposal. The Trustees are not required to attend a Fund's annual shareholder meetings or to otherwise make themselves available to shareholders for communications, other than by the aforementioned procedures.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act and Section 30(h) of the 1940 Act, and the rules thereunder, require each Fund's officers and Trustees, officers and directors of the investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Fund's shares, to file reports of ownership and changes in ownership with the SEC and the NYSE and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on a review of the reports filed with the SEC and upon representations that no additional Section 16(a) forms were required to be filed, the Funds believe that during the fiscal year ended September 30, 2020, all Section 16(a) filing requirements applicable to each Fund's officers, Trustees and greater than 10% beneficial owners were complied with, except as noted in the following sentence. Initial filings on Form 3 were not filed timely on behalf of Messrs. Ciprari, Salter and Woolson. A filing for Mr. Woolson has since been made and filings for Messrs. Ciprari and Salter are being prepared and will be filed as soon as practical.

Independent Registered Public Accounting Firm

The Audit Committees of DSL, DBL, and DLY unanimously selected Deloitte & Touche LLP (“Deloitte”) as the independent registered public accounting firm for the fiscal year ending September 30, 2021. Deloitte also served as the independent registered public accounting firm of DSL and DBL for the fiscal years ended September 30, 2019, and September 30, 2020, and of DLY for the fiscal period ended September 30, 2020. Deloitte is located at 695 Town Center Drive, Suite 1200, Costa Mesa, CA 92626. Neither DSL nor DBL is aware of any direct financial or material indirect financial interest of Deloitte in DSL or DBL.

Representatives of Deloitte, if requested by any Shareholder of DBL, DSL, or DLY, respectively, will be present at the Meeting via telephone to respond to appropriate questions from Shareholders and will have an opportunity to make a statement if he or she chooses to do so.

Pre-Approval Policies and Procedures

The Audit Committee Charter requires that the Audit Committee pre-approve all audit and permitted non-audit services to be provided by Deloitte. The Audit Committee has adopted written policies relating to the pre-approval of audit and permitted non-audit services to be performed by a Fund’s independent registered public accounting firm (for purposes of this section, an “Independent Accountant”). Under the policies, each Fund’s Treasurer reviews all potential audit and non-audit services and, with the assistance of, among others, outside counsel and the Fund’s Chief Compliance Officer, as the Treasurer may deem necessary or appropriate, categorizes the services before such services are presented to the Audit Committee for pre-approval. For each proposed service, the Treasurer and the Independent Accountant make separate assessments to determine that the service will not impair the Independent Accountant’s independence.

In addition, the Audit Committee pre-approves any permitted services to be provided by an Independent Accountant to DoubleLine and any entity controlling, controlled by, or under common control with DoubleLine that provides ongoing services to a Fund (together, the “Accounting Affiliates”) related to the operations or financial reporting of a Fund. Although the Audit Committee does not pre-approve all services provided by an Independent Accountant to Accounting Affiliates (for instance, if the engagement does not relate to the operations or financial reporting of a Fund), DoubleLine must disclose to the Committee any non-audit services to be delivered by an Independent Accountant to an Accounting Affiliate. In addition, the Committee receives an annual report disclosing all fees charged in each of the last two fiscal years by an Independent Accountant relating to Audit Services, Audit Related Services, Tax Services, and Other Non-Audit Services, each as defined below.

The Audit Committee may also from time to time pre-approve individual non-audit services to be provided to the Funds or an Accounting Affiliate that were not pre-approved as part of the process described above. The Audit Committee may delegate pre-approval authority to its Chairperson.

Other Business

As of the date of this Proxy Statement, the Funds’ officers and DoubleLine know of no business to come before the Meeting other than as set forth in the Notice. If any other business is properly brought before the Meeting, the persons named as proxies will vote in their sole discretion.

Quorum, Adjournments and Methods of Tabulation

A quorum at the Meeting will consist of the presence in person or by proxy of thirty percent (30%) (or such other higher quorum required by the exchange on which DBL’s and DSL’s shares are listed) of the total Common Shares of DBL and DSL, and thirty three and one-third percent (33 1/3%) (or such higher quorum as required by DLY’s Declaration of Trust or Bylaws) of the total Common Shares of DLY, entitled to vote at the Meeting. In the event that a quorum is not present at the Meeting or, even if a quorum is present, in the event that sufficient votes in favor of the proposal set forth in the Notice are not received by the time scheduled for the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting after the date set for the original Meeting, with no other notice than announcement at the Meeting, to permit further solicitation of proxies with respect to the Proposals. In addition, if, in the judgment of the persons named as proxies, it is advisable to defer action on a Proposal, the persons named as proxies may propose one or more adjournments of the Meeting with respect to the Proposal for a reasonable time. Any adjournments with respect to a Proposal will require the affirmative vote of a plurality of the Shares of the applicable Fund entitled to vote thereon present in person or represented by proxy at the session of the Meeting to be adjourned. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of such Proposal. They will vote against any such adjournment those proxies required to be voted against such Proposal. The costs of any additional solicitation and of any adjourned session will be borne by the applicable Fund. Any proposals properly brought before the Meeting for which sufficient favorable votes have been received by the time of the Meeting will be acted upon and such action will be final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal. In certain circumstances in which a Fund has received sufficient votes to approve a matter being recommended for approval by the Fund’s Board, the Fund may request that brokers and nominee entities, in their discretion, withhold or withdraw submission of broker non-votes in order to avoid the need for solicitation of additional votes in favor of the proposal.

Votes cast by proxy or in person at the Meeting may be counted by persons appointed by the Funds as tellers or inspectors of election (the “Tellers/Inspectors”) for the Meeting. For purposes of determining the presence of a quorum for a Fund, the total number of Common Shares present at the Meeting in person or by proxy will be

counted, including Common Shares represented by proxies that reflect abstentions and “broker non-votes” (*i.e.*, shares held by brokers or nominees as to which instructions have not been received from the beneficial owners or the persons entitled to vote and the broker or nominee does not have the discretionary voting power on a particular matter). Abstentions and broker non-votes will have no effect on the outcome of any Proposal for the election of Trustees for the Funds.

Each of DBL's, DSL's, and DLY's 2020 Annual Report to Shareholders began being mailed to shareholders of the relevant Fund on or about November 25, 2020.

Shareholder Proposals for 2022 Annual Meeting

It is currently anticipated that each Fund's next annual meeting of Shareholders after the Meeting addressed in this Proxy Statement will be held in February 2022. Proposals of Shareholders intended to be presented at that annual meeting of each Fund must be received by the Fund no later than September 15, 2021 for inclusion in the Fund's proxy statement and proxy cards relating to that meeting. The submission by a Shareholder of a proposal for inclusion in the proxy materials does not guarantee that it will be included. Shareholder proposals are subject to certain requirements under the federal securities laws and must be submitted in accordance with each Fund's Bylaws. Shareholders submitting any other proposals for a Fund intended to be presented at the annual meeting held in 2022 (*i.e.*, other than those to be included in the Fund's proxy materials) must ensure that such proposals are received by the Fund, in good order and complying with all applicable legal requirements and requirements set forth in the Fund's Bylaws, no earlier than November 14, 2021 and no later than November 29, 2021¹. If a Shareholder who wishes to present a proposal fails to notify the Fund within these dates, the proxies solicited for the meeting will have discretionary authority to vote on the Shareholder's proposal if it is properly brought before the meeting. If a Shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules. Shareholder proposals should be addressed to the attention of the Secretary of the Funds, at the address of the principal executive offices of the Funds, with a copy to Timothy W. Diggins, Ropes & Gray LLP, Prudential Tower, 800 Boylston Street, Boston, Massachusetts 02199-3600.

PLEASE EXECUTE AND RETURN THE ENCLOSED PROXY CARDS PROMPTLY TO ENSURE THAT A QUORUM IS PRESENT AT THE JOINT ANNUAL MEETING. A SELF-ADDRESSED, POSTAGE-PAID ENVELOPE IS ENCLOSED FOR YOUR CONVENIENCE.

January 13, 2021

¹ To be timely, a shareholder notice (the “Shareholder Notice”) must be delivered to or mailed and received at the principal executive offices of the Fund not less than forty-five (45) nor more than sixty (60) days prior to the first anniversary date of the date on which the Fund first mailed its proxy materials for the prior year's annual meeting; provided, however, if and only if the annual meeting is not scheduled to be held within a period that commences thirty (30) days before the first anniversary date of the annual meeting for the preceding year and ends thirty (30) days after such anniversary date (an annual meeting date outside such period being referred to herein as an “Other Annual Meeting Date”), such Shareholder Notice must be given in the manner provided herein by the later of the close of business on (i) the date forty-five (45) days prior to such Other Annual Meeting Date or (ii) the tenth (10th) business day following the date such Other Annual Meeting Date is first publicly announced or disclosed.

AUDIT COMMITTEE CHARTER

I. Background

The Boards of Trustees of each of the DoubleLine Funds Trust, DoubleLine Income Solutions Fund, DoubleLine Opportunistic Credit Fund and DoubleLine Yield Opportunities Fund (each, a “Board” and, collectively, the “Boards”) have adopted this Charter to govern the activities of the Audit Committees of the Boards (each, an “Audit Committee” and, collectively, the “Audit Committees”). This Charter applies separately to each of the DoubleLine Funds Trust, DoubleLine Income Solutions Fund, DoubleLine Opportunistic Credit Fund and the DoubleLine Yield Opportunities Fund (collectively, the “Trusts” and, collectively with the series of DoubleLine Funds Trust, the “Funds”) and the Board and Audit Committee of each, and shall be interpreted accordingly.

Attached as Appendix A is a list of required duties and tasks the Audit Committee generally expects to address at its regular meetings, as indicated.

II. Scope of the Audit Committee

The Audit Committee shall be responsible for the appointment, compensation, retention, and oversight of the work of the independent auditors employed by the Funds for the purpose of preparing or issuing an audit report or related work. Each such independent auditor shall report directly to the Committee. The Audit Committee shall also perform those duties included in Appendix A to this Charter and shall also perform such other functions and have such powers as may be necessary or appropriate in the efficient and lawful discharge of the powers provided in this Charter.

III. Authority and Responsibilities of the Audit Committee

The function of the Audit Committee is oversight; it is management's responsibility to maintain appropriate systems for accounting and internal control over financial reporting, and the auditor's responsibility to plan and carry out a proper audit. Nothing in this Charter shall be construed to reduce the responsibilities or liabilities of a Trust's service providers, including the auditors.

The review of a Trust's financial statements by the Audit Committee is not an audit, nor does the Committee's review substitute for the responsibilities of a Trust's management for

preparing, or the independent auditors for auditing, the financial statements. Members of the Audit Committee are not employees of a Trust and, in serving on this Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures.

In discharging his or her duties, a member of the Audit Committee is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of a Trust whom the Trustee reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Trustee reasonably believes are within the person's professional or expert competence; or (3) a Board committee of which the Trustee is not a member.

The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain and compensate special counsel and other experts, consultants, or advisers as the Committee deems necessary and the authority to obtain specialized training for Audit Committee members (at the expense of the relevant Trust or Fund), as appropriate. Each Fund shall provide for appropriate funding, as determined by the Audit Committee, for the payment of expenses of the Committee that the Audit Committee considers to be necessary or appropriate in fulfilling its purposes or carrying out its responsibilities under this Charter, including without limitation compensation of independent legal counsel or other advisers retained by the Audit Committee. Expenditures made by the Audit Committee must be presented for review by the full Board, including by a majority of its Trustees who are not "interested persons" (as defined in the 1940 Act) of the Trusts, at the Board's next regular meeting or as soon as reasonably practicable thereafter. Should any costs need to be allocated among the Funds, the Audit Committees shall recommend to their respective Boards the appropriate allocation of such costs.

The Audit Committee may delegate any portion of its authority, including the authority to grant pre-approvals of audit and permitted non-audit services, to a subcommittee of one or more members.

IV. Operations of the Audit Committee

- (a) The Audit Committee shall have at least three members and shall consist only of

Trustees who are not “interested persons” (as defined in the Investment Company Act of 1940, as amended) of the Funds.

- (b) The Committee members shall collectively satisfy the independence, financial expertise, and financial literacy standards of the New York Stock Exchange.
- (c) The Audit Committee shall meet on a regular basis. The Audit Committee is empowered to hold special meetings as circumstances require. The chair or a majority of the members shall be authorized to call a meeting of the Audit Committee and send notice thereof.
- (d) The Audit Committee shall ordinarily meet in person; however, members may attend telephonically.
- (e) The Committee may act by written consent, to the extent permitted by law and by a Trust’s Agreement and Declaration of Trust or Bylaws.
- (f) The Audit Committee shall have the authority to meet privately and to admit non-members, including, but not limited to, internal legal counsel and compliance personnel of a Trust’s investment adviser and with entities that provide significant accounting and administrative services to a Trust, individually by invitation.
- (g) The Audit Committee may, but is not required to, select one of its members to be the chair and may select a vice chair.
- (h) The presence of three members of the Audit Committee shall constitute a quorum of the Committee. The action of a majority of the members of the Audit Committee present at a meeting at which a quorum is present shall be the action of the Committee.
- (i) The Board shall adopt and approve this Charter, including Appendix A, and may amend it on the Board’s own motion.
- (j) The Audit Committee also shall serve as the Qualified Legal Compliance Committee, for which a separate charter has been adopted and is attached as Appendix B.

QUALIFIED LEGAL COMPLIANCE COMMITTEE CHARTER

I. Background

The Qualified Legal Compliance Committee Charter has been adopted by the Boards of Trustees (each a “Board” and, collectively, the “Boards”) of each of the DoubleLine Funds Trust, DoubleLine Income Solutions Fund, DoubleLine Opportunistic Credit Fund and DoubleLine Yield Opportunities Fund (each, a “Trust” and, collectively, the “Trusts”) to govern the activities of the Qualified Legal Compliance Committees of the Boards (each, a “QLCC” and, collectively, the “QLCCs”). This Charter applies separately to each Trust, and each series thereof, if any, and shall be interpreted accordingly.

Pursuant to Section 307 of the Sarbanes-Oxley Act of 2002 (“Section 307”), the Securities and Exchange Commission (“SEC”) adopted rules to prescribe minimum standards of professional conduct for attorneys appearing and practicing before the SEC (“Attorney Conduct Rules” or “Rules”). Based on the Rules, this Qualified Legal Compliance Committee Charter (the “QLCC Charter”) has been created to establish the procedures (the “Procedures”) by which an attorney providing legal services to the Trust should report evidence of a material violation of the securities laws, breach of fiduciary duty or similar violation by the Trust, its officers, managers, employees or agents (“Report”), and to provide for the confidential receipt, retention and consideration of any such Report by the Audit Committee of the Trust, with the Audit Committee also being designated as and constituting a “qualified legal compliance committee” as defined in the Rules. All attorneys to which these Procedures apply should provide the Audit Committee with a letter substantially in the form attached to these Procedures.

II. Policy

The Audit Committee shall be the QLCC of the Trust. The QLCC will:

1. Receive, review and take appropriate action with respect to any Report ("Report") made or referred to the QLCC by an attorney of evidence of a material violation of applicable U.S. federal or state securities law, material breach of a fiduciary duty under U.S. federal or state law or a similar material violation by the Trust, or any series thereof, if applicable, or by any officer, director, employee, or agent of the Trust, or any series thereof, if applicable;
2. Otherwise fulfill the responsibilities of a qualified legal compliance committee pursuant to Section 307 of the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder; and

3. Perform such other duties as may be assigned to it, from time to time, by the Board consistent with the requirements of Section 307.

III. Scope of the QLCC

The scope of the QLCC's responsibilities and its structure, process and membership requirements are set forth in this QLCC Charter, which has been adopted and approved by the Board and may be amended by the Board or QLCC from time to time thereafter in compliance with applicable laws, rules and regulations.

IV. Organization

The Trust's Audit Committee members shall serve as the QLCC and the trustees who are not "interested persons" of the Trust (as defined in the Investment Company Act of 1940, as amended) (the "Independent Trustees") shall designate one of themselves to serve as Chair of the QLCC, who generally will be the Lead Independent Trustee unless the QLCC appoints another member to Chair this QLCC. The members of the QLCC shall be appointed and replaced by the QLCC, but generally shall consist of the members of the Audit Committee.

V. Procedures

The QLCC may adopt written procedures for the confidential receipt, retention, and consideration of any oral or written Reports received by the QLCC. Such procedures are described below under Section VI "Authority and Responsibilities." The QLCC shall have the authority to establish other rules and operating procedures in order to fulfill its obligations under this Charter and under applicable law, rules and regulations. The Chair of the QLCC shall call a meeting of the QLCC whenever circumstances warrant.

VI. Authority and Responsibilities

The QLCC of the Trust, in discharging its responsibilities under this Charter, may, in addition to other actions it deems appropriate, consider taking one or more of the actions following the receipt of a Report as described below:

- A. To inform the Trust's Chief Compliance Officer ("CCO") of the Report;
- B. To request that the CCO determine whether an investigation is necessary or appropriate regarding the potential material violation described in the Report, and make a written report to the QLCC regarding the CCO's findings and conclusion;
- C. The QLCC then may accept or reject such report and, acting on such report or on its own, if it determines that an investigation is necessary or appropriate, initiate an investigation (which may be conducted by the person or persons of the QLCC's choosing, which person or persons may include the CCO, attorneys employed by the Trust or by outside counsel, including retention of counsel not previously retained by the Trust) and retain any such additional expert personnel as the QLCC deems necessary (which may include empowering the CCO and/or other persons chosen by the QLCC to retain additional experts);
- D. If the CCO is implicated by the Report, or for any other reason, the QLCC may determine to initiate an investigation which may be conducted by the person or persons of the QLCC's choosing, which person or persons may include attorneys employed by the Trust or by outside counsel, including retention of counsel not previously retained by the Trust and retain any such additional expert personnel as the QLCC deems necessary (which may include empowering other persons chosen by the QLCC to retain additional experts). Such persons may be charged with creating a written report to the QLCC;
- E. At the conclusion of any such investigation, to receive a report and recommend, by majority vote, that the Trust and/or the Adviser implement an appropriate response (as defined in the Rules) to evidence of a material violation and inform

the Chief Compliance Officer and Chief Executive Officer of the Trust and the Board or others as deemed necessary by the QLCC of the results of such investigation and the appropriate remedial measures to be adopted; and

- F. Acting by majority vote, to take all other appropriate action, including notifying the SEC in the event that the Trust and/or the Adviser fail in any material respect to implement an appropriate response (as defined in the Rules) that the QLCC has recommended to the Trust to take.
- G. In all cases, the QLCC shall have full discretion, upon a majority vote of its members, to determine to inform or not to inform any or all of the Board, the Trust's Chief Executive Officer and/or personnel employed by the Adviser of any report or investigation, with such discretion also including a decision not to inform or otherwise utilize the CCO regarding such report or investigation.
- H. The QLCC has the authority and responsibility to act, by majority vote, to take all other appropriate action, including the authority to notify the SEC in the event that the Trust fails in any material respect to implement an appropriate response that the QLCC has recommended to the Trust.
- I. The QLCC shall report to the Board on a regular basis regarding the matters that it oversees. Any such reports may take the form of an oral report by the chairperson of the QLCC or any other member of the QLCC designated by the chairperson to make the report. The presence of at least two members of the QLCC shall constitute a quorum and the QLCC may act by majority vote of those present.

VII. Records

The QLCC shall ensure that copies of any report submitted to it are retained, as well as a written record of its consideration of and response to such reports. Such records generally shall be retained by the Chief Compliance Officer, or other officer as the QLCC may designate after due consideration of the nature and content of the reports received.

VIII. Attorney Standards and Procedures

A. Persons Subject to These Procedures

These Procedures apply to attorneys who are "appearing and practicing before the SEC" in the representation of the Trust. An attorney is deemed to be "appearing and practicing before the SEC in the representation of the Funds" if the attorney is:

1. Providing legal services as an attorney for the Trust within the context of an attorney- client relationship with the Trust, whether the attorney is employed or retained by the Trust or by a service provider such as the Trust's investment adviser (the "Adviser"); and
2.
 - a. Transacting any business with the SEC on behalf of the Trust, including communications in any form; or
 - b. Representing the Trust in a SEC administrative proceeding or in connection with any SEC investigation, inquiry, information request, or subpoena; or
 - c. Providing advice to the Trust with respect to United States securities laws or the SEC's rules or regulations thereunder regarding any document that the attorney has notice will be filed with or submitted to, or incorporated into any document that will be filed with or submitted to, the SEC, including the provision of such advice in the context of preparing, or participating in the preparation of, any such document; or
 - d. Advising the Trust as to whether information or a statement, opinion, or other writing is required under United States securities laws or the SEC's rules or regulation thereunder to be filed with or submitted to, or incorporated into any document that will be filed with or submitted to, the SEC.

In addition, an attorney retained or directed by the Trust to investigate evidence of a material violation reported under these Procedures shall be deemed to be appearing and practicing before the SEC.

B. Reporting Obligations

If an attorney who is appearing and practicing before the SEC in the representation of the Trust becomes aware of evidence of a material violation by the Trust or by any officer, director, employee or agent of the Trust, the attorney shall report such evidence to the QLCC. Information on how to contact the QLCC's designee is set out below.

A “*material violation*” means a material violation of applicable United States federal or state securities law, a material breach of fiduciary duty arising under United States federal or state law, or a similar material violation of any United States federal or state law.⁵

When it adopted the implementing rules under Section 307, the SEC did not define the term “*material*” but intends the term to have the same meaning that it has under the federal securities laws. In *TSC Indus. v. Northway, Inc.*, the United States Supreme Court held that a fact is material if there is “a substantial likelihood that the . . . fact would have been viewed by the reasonable investor as having significantly altered the ‘total mix’ of information made available.” 426 U.S. 438, 449 (1976). The Supreme Court also noted that determinations of materiality require “delicate assessments of the interferences a ‘reasonable shareholder’ would draw from a given set of facts and the significance of those inferences to him . . .” *Id.* at 450. Materiality is ordinarily to be determined by the trier of fact in light of all of the facts and circumstances. *Id.* at 445.

A “*breach of fiduciary duty*” means any breach of fiduciary or similar duty to the issuer recognized under an applicable federal or state statute or at common law, including but not limited to misfeasance, nonfeasance, abdication of duty, abuse of trust, and approval of unlawful transactions.¹

Under the Attorney Conduct Rules, an attorney becomes aware of “*evidence of a material violation*” if he or she has credible evidence, based upon which it would be unreasonable, under the circumstances, for a prudent and competent attorney not to conclude that it is reasonably likely that a material violation has occurred, is ongoing, or is about to occur.

It is reasonable for an attorney not to conclude that there is a material violation while the attorney is in the process of inquiring or consulting with others regarding the potential violation. Such inquiry and consultation reasonably may be conducted as long as (1) a Report is timely made to the QLCC if the attorney concludes that it is reasonably likely that a material violation has occurred, is ongoing, or is about to occur, and (2) the inquiry and/or consultation do not unduly delay the submission of a Report.

A Report may be made to the QLCC directly, either in person, by telephone, by e-mail, electronically, in writing or by any other means deemed appropriate by any such attorney under the circumstances. Initial reports generally shall be made to the chairperson of the QLCC, but reports may be made to any member of the QLCC, who then shall be responsible to convene the QLCC to determine an appropriate course of action.

In making a Report, the reporting attorney should explain the facts supporting his or her conclusion that he or she has become aware of evidence of a material violation by the Trust, any officer, manager, employee or agent of the Trust, as well as explain the general basis for the Report and the attorney’s concern.

By communicating such information to the Audit Committee, an attorney does not reveal client confidences or secrets or privileged or otherwise information related to the attorney’s representation of the Trust.

IX. Committee Resources

The QLCC shall have the resources to discharge all of its responsibilities, including but not limited to the authority to select, retain, terminate and approve the fees and other retention terms of special or independent counsel or any other experts or advisers as determined to be necessary or appropriate without seeking approval of management of the Trust. Expenditures made by the QLCC must be presented for review by the full Board, including by a majority of its Independent Trustees, at the

Board's next regular meeting or as soon as reasonably practicable thereafter. Costs incurred by the QLCC in performing its functions under this Charter shall be borne by the Trust. [address]

Dear Sir or Madame:

It is our understanding that [DoubleLine Funds Trust, DoubleLine Income Solutions Fund, DoubleLine Opportunistic Credit Fund or DoubleLine Yield Opportunities Fund, as applicable] (the “Trust”) has engaged your firm to provide legal counsel to the Trust relating to U.S. securities laws or to represent the Trust before the Securities and Exchange Commission (“SEC”). In this connection, I have enclosed a copy of the Trust’s Qualified Legal Compliance Committee Charter setting out procedures for attorney conduct (the “Procedures”). These Procedures outline the responsibilities of an attorney providing legal services to the Trust under Section 307 of the Sarbanes-Oxley Act of 2002 and applicable SEC rules and establish the procedures by which such an attorney should report a material violation of the securities laws, breach of fiduciary duty or similar violation by the Trust.

We expect that your attorneys will comply fully with these Procedures and the SEC’s rules on the standards of professional conduct for attorneys appearing and practicing before the SEC (“SEC Attorney Conduct Rules”). In addition, we specifically request that your firm:

1. Provide us with a written statement agreeing to notify and consult the Qualified Legal Compliance Committee of the Board of Trustees of the Trust (the “Committee”) in the event that, subject to your reasonable discretion and ethical obligations, an attorney believes that a formal report to the Committee is warranted under the SEC Attorney Conduct Rules and/or the Procedures;
2. Confirm that the firm has in place policies reasonably designed to promote compliance with the SEC Attorney Conduct Rules.

NOMINATING COMMITTEE CHARTER

Mission Statement

The Boards of Trustees (each, a “Board” and, collectively, the “Boards”) of each of the DoubleLine Funds Trust, the DoubleLine Income Solutions Fund, the DoubleLine Opportunistic Credit Fund and the DoubleLine Yield Opportunities Fund (each, a “Trust” and collectively, the “Trusts”) have adopted this charter to govern the activities of the Nominating Committees of the Boards (each, a “Nominating Committee” and, collectively, the “Nominating Committees”). This Charter applies separately to each Trust, and each series thereof, if any, and the Board and Nominating Committee of each, and shall be interpreted accordingly.

The Nominating Committee is a committee of each Board created to assist the Board in fulfilling its duty to fill vacancies in the Board. The Nominating Committee of each Trust will supervise the nominations and elections of the independent trustees of such Trust.

The scope of the Nominating Committee’s responsibilities and its structure, process and membership requirements are set forth in this charter (the “Charter”).

Organization

The membership of the Nominating Committee shall consist of at least two trustees who are not “interested persons” of the Trust within the meaning of the Investment Company Act of 1940, as amended (“Independent Trustees”), who shall be designated by the full Board of Trustees. The presence of any two members of a Nominating Committee shall represent a quorum and a majority vote of those present shall be sufficient to take any action. Only Independent Trustees may serve on a Nominating Committee.

A majority of the Independent Trustees may appoint and/or replace Nominating Committee members from time to time. The Nominating Committee may designate one member to serve as Chair of the Nominating Committee, but need not make such a designation. The Nominating Committee members shall serve until their resignation or removal by a majority of the Independent Trustees.

The Nominating Committee shall report to the Board of Trustees as to the results of its meetings and activities.

Authority and Responsibilities

The Nominating Committee, in discharging its responsibilities under this Charter, may, in addition to other actions it deems appropriate, consider taking one or more of the actions described below:

1. To make nominations for Independent Trustee membership on the Board. Potential nominees may be considered in light of any factor the Committee members deem relevant, including their professional experience, education, skill, collegiality and other individual qualities and attributes that contribute to Board diversity.
2. To consider nominee candidates properly submitted in accordance with Appendix A by shareholders of the Trust on the same basis as it considers and evaluates candidates recommended by other sources.
3. To review Nominating Committee Chair assignments and Nominating Committee assignments periodically.
4. To consider the structure, operations and effectiveness of the Nominating Committee and review this Charter periodically.
5. To meet as frequently and at such times as circumstances dictate.
6. To hire (and compensate) from time to time independent counsel and any other expert deemed necessary by the Nominating Committee to perform its duties.

The Nominating Committee shall have the resources to discharge all of its responsibilities, including but not limited to the authority to select, retain, terminate and approve the fees and other retention terms of special or independent counsel or any other advisers determined to be necessary or appropriate without seeking approval of management of the Trust. Expenditures made by the Nominating Committee must be presented for review by the full Board, including by a majority of its Independent Trustees, at the Board's next regular meeting or as soon as reasonably practicable thereafter. Costs incurred by the Nominating Committee in performing its functions under this Charter shall be borne by the Trust. Should any costs need to be allocated between two or more of the Trusts for any reason, the Nominating Committees shall recommend to their respective Boards the appropriate allocation of such costs.

Records

The Nominating Committee shall retain copies of any report submitted to it and a written record of its consideration of and response to such reports.

A shareholder of the Trust, or of any series thereof, if applicable, must follow the following procedures in order to submit properly a nominee recommendation for the Committee's consideration.

1. The shareholder must submit any such recommendation (a "Shareholder Recommendation") in writing to the Trust, to the attention of the Trust's Secretary, at the address of the principal executive offices of the Trust.
2. The Shareholder Recommendation must be delivered to, or mailed and received at, the principal executive offices of the Trust not less than sixty (60) calendar days nor more than ninety (90) calendar days prior to the date of the Board or shareholder meeting at which the nominee candidate would be considered for election.

The Shareholder Recommendation must include: (i) a statement in writing setting forth (A) the name, age, date of birth, business address, residence address and nationality of the person recommended by the shareholder (the "candidate"); (B) the number of all shares of the Trust (including the series and class, if applicable) owned of record or beneficially by the candidate, as reported to such shareholder by the candidate; (C) any other information regarding the candidate called for with respect to director nominees by paragraphs (a), (d), (e) and (f) of Item 401 of Regulation S-K or paragraph (b) of Item 22 of Rule 14a-101 (Schedule 14A) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), adopted by the Securities and Exchange Commission (or the corresponding provisions of any applicable regulation or rule subsequently adopted by the Securities and Exchange Commission or any successor agency with jurisdiction related to the Trust); (D) any other information regarding the candidate that would be required to be disclosed if the candidate were a nominee in a proxy statement or other filing required to be made in connection with solicitation of proxies for election of directors pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder or any other applicable law or regulation; and (E) whether the recommending shareholder believes that the candidate is or will be an "interested person" of the Trust (as defined in the Investment Company Act of 1940, as amended) and, if not an "interested person," information regarding the candidate that will be sufficient for the Trust to make such determination; (ii) the written and signed consent of the candidate to be named as a nominee and to serve as a Trustee if elected; (iii) the recommending shareholder's name as it appears on the Trust's books; (iv) the number of all shares of the Trust (including the series and class, if applicable) owned beneficially and of record by the recommending shareholder; (v) a complete description of all arrangements or understandings between the recommending shareholder and the candidate and any other person or persons (including their names) pursuant to which the recommendation is being made by the recommending shareholder, and (vi) a brief description of the candidate's relevant background and experience for membership on the Board, such as qualification as an audit committee financial expert. In addition, the Committee may require the candidate to furnish such other information as it may reasonably require or deem necessary to determine the eligibility of such candidate to serve as a Trustee of the Trust.
